**IHF Meeting with European Top Nations
- Save the date -**

Dear Handball Friends,

Following earlier IHF Meetings with European Top Nations, the most recent meeting was held in July 2016 at the fringes of the draw event for the Men's and Women's EHF Champions League in Copenhagen, which again proved a fruitful platform to better exchange opinions on different subjects and to listen to different views and opinions from all stakeholders involved.

Based on the success of earlier meetings, we would herewith like to announce the next IHF Meeting with European Top Nations, foreseen to be held at the fringes of the draw event for the 2019 Men's World Championship in DEN/GER on 25/26 June 2018 in Copenhagen.

The main target of the meeting is to discuss how to join forces to further develop handball and discuss methods of cooperation within the IHF family. Additionally, we kindly invite you to submit any topics you would like to add to the agenda to the IHF Office.

Further, and as it has been common practice at previous meetings, I also intend to invite the presidents/representatives of clubs which have national team players from your federation under contract. To that end I kindly ask you to propose to the IHF Office (ihf.office@ihf.info) two clubs from your federation, along with contact persons and contact information no later than 09 March 2018.

Please note that further details in view of the meeting will be announced in due course. Meanwhile, we kindly ask you to save the date accordingly.

Thanking you very much for your kind assistance, I remain,
